

The BeHPR supports health professionals working in rheumatology in the practice of their profession, by enabling collaboration and networking, filling training needs and pursuing professionalization and innovation in care.

We are looking for new boardmembers !

We are urgently seeking active **board members** to further grow the BeHPR.

Your commitment can be in very different ways.

You can join a project or you can attend boardmeetings to learn more and take a more active role at a later stage.

Current projects

1. Organize a course for new rheumatology nurses in Flanders and Wallonia.
2. Creating content for a dynamic website
3. Social media responsible
4. Preparing a quarterly newsletter
5. ...
